

Greatearth Group Occupational Safety & Health Policy

All Management & Staff pledge to:

- Apply a universal set of Occupational Safety and Health (OSH) standards to all;
- Comply with relevant legislations, regulations and requirements;
- Make constant improvements in OSH practices;
- Provide adequate resources to train and educate employees in workplace safety and health (WSH);
- Eliminate unsafe work practices, conditions and actions;
- Maintain an “open door policy”;
- Prepare and protect our workplaces against safety, security and terrorism risks.
